

BLUFFDALE TIMES

February 2026

MAYOR'S MESSAGE

I am a bicentennial baby. I was born in 1976, the year America was celebrating the 200th anniversary of the signing of the Declaration of Independence. This year, 2026 is the Semiquincentennial celebration of America. A congressionally established U.S. Semiquincentennial Commission was

created and they have named the celebration America250. Utah also has a commission.

I have asked several people what they remember about the celebrations in 1976. What do you want to remember about America250? I have put together a Bluffdale commission and we have been planning activities for every month to celebrate America, our history and our freedoms. If you have ideas or would like to be involved, send me an email nhall@bluffdale.gov.

Another thought to consider is involving our youth. They will be the ones to plan America's 300th or tercentennial celebration. The more they do with us this year, the more memories they create and the celebration in 50 years will be important to them.

We hope there is something for everyone. We want to display our Americana quilts and so we will have a cutting/sewing day at City

Commemorative coin design for Bluffdale's America 250 celebration. Families can earn a coin by participating in events throughout the year.

Hall on Saturday, March 14th so you can work on a America 250 quilt. If you quilt and would be willing to come and advise and help new quilters, please let me know!

One of the other events I am excited about is America's Potluck on July 5th. Every neighborhood across America is encouraged to have a neighborhood party that evening.

Everyone in the city receives the newsletter in different ways. Some get it in their water bill, some get a text that it is available online. This month, we have mailed the newsletter to every household because it is so valuable. All the city activities, meetings and classes are listed here. We will incorporate patriotic celebrations with all of our 2026 events.

We hope you put this on your fridge for the year and reference it often. I am looking forward to working together to celebrate our incredible country and constitution.
