March 2026

MAYOR'S MESSAGE

As the Utah Legislative Session kicked off this year, our Youth Council was invited to participate in a Day of Legislation at the State Capitol. It was an incredible experience for our youth to visit with our legislators, ask questions and learn about state government. They also

had the opportunity to hear from our Governor.

The Bluffdale City Youth Council was established on April 27, 2016 and gives Bluffdale youth an opportunity to engage with city government, lead community initiatives, and develop civic leadership. Through service, education, and collaboration, the Youth Council builds a bridge between Bluffdale's youth and city leaders, helping shape a bright future for our city. All youth ages 14-18 years old living in Bluffdale are eligible to sign up throughout the year on the website at www.bluffdale.gov/youth-council.

Members are expected to:

- Actively participate in meetings on the 3rd Tuesday of each month at 5:30 PM
- Attend some City Council meetings
- Plan and participate in service projects
- Assist with Old West Days and other city events throughout the year
- Attend and plan youth activities such as BINGO night
- Participate in Leadership Conferences

In January, the Youth Council provided a community BINGO night. I saw them spend hours planning and implementing this activ-

ity for our community, which included visiting businesses and securing over \$1,000 of donated prizes. This is a true illustration of how effective our youth council program is at creating leaders and serving our community.

Also in January, I had the opportunity to recognize one of our Youth Council members for serving our city for all 4 years of her High School experience. That is a lot of time given to the city! Graduating seniors that have participated in Youth Council can earn a Bluffdale chord to wear at graduation.

I have been told by other cities our Youth Council Program is incredible. Thank you to our Adult Advisors and our youth for all the service you give to Bluffdale. Let's keep working together to keep our Youth Council strong in 2026.

BUDGET COMMITTEE MEMBER OPENINGS

The City is now accepting applications for the Budget Review Committee (BRC). Applications, at www.bluffdale.gov/volunteer, are open through March 31, with interviews scheduled for early April.

The BRC supports transparency and sound financial planning by reviewing the City's annual budget and providing questions, comments, and recommendations to improve the content, clarity, and transparency.

Applicants should have a background in finance or accounting, with preference given to those who have prepared, audited, or analyzed governmental financial statements. Members should possess—or be willing to gain—a basic understanding of governmental budgeting and reporting. Ideal candidates will have experience with municipal, fund-based budgets; financial projections and statements; accounting for

estimates, accruals, and reserves; and an understanding of budget review committee functions.

Committee responsibilities include:

- Reviewing the budget document
- Understanding fund accounting and municipal budgeting practices
- Analyzing revenue sources and

expenditure allocations

- Comparing budgeted amounts to prior-years' actuals
- Identifying significant variances; evaluating revenue projections
- Assessing expenditures, capital projects, and cash flow
- Making recommendations to improve the content, clarity, and transparency amendments when needed

The committee also prepares a summary report of findings and recommendations and presents the report to the City Council.

Serving on the BRC is an excellent opportunity to use your financial expertise to benefit the community and promote a better understanding of the city's finances.

Numbers tell a story, help us tell it clearly.

CERT CLASS STARTS IN APRIL

CERT
**COMMUNITY EMERGENCY
RESPONSE TEAM**
2026 Class Starts April 9
training that **PREPARES**
YOU for natural & man made
EMERGENCIES
in our community

With the recent earthquakes near Bluffdale, emergency preparedness is on our minds. Bluffdale offers a free class to help residents learn the skills to take care of yourself, family and neighbors when Emergency Responders may be delayed.

Skills such as first aid, fire safety, traffic and crowd control, and search and rescue methods are taught in the 6 week class that starts April 9, 2026. Bluffdale residents ages 16 yrs old and up are encouraged to participate. Classes will be held on Thursday nights from 6:30-9:30 pm at Bluffdale City Hall (2222 West 14400 South). There will be a final drill on May 9, 2026, at the new Public Works building (3305 W 13800 S) starting at 9 am.

Past CERT graduates are welcome to participate to practice skills.

Scan the QR code or go to www.bluffdale.gov/CERT to register.

SUPPORTING BLUFFDALE BUSINESSES: FROM HOME TO STOREFRONT

Bluffdale continues to grow thanks to the incredible businesses that choose to call our city home. From storefronts to home-based entrepreneurs, our local businesses play an important role in making Bluffdale such a special place to live, work, and shop.

If you're thinking about opening, relocating, or operating a business from home, our Business Licensing team is here to help make the process simple and welcoming. A Bluffdale business license is required for all businesses operating within city limits — including home-based businesses.

Home occupations are a great way to run a business from your residence, but they must meet specific city guidelines related to employees, traffic, signage, and operations to ensure neighborhood compatibility. We are always happy to answer questions and help you understand what is allowed before you get started.

We also invite you to support the amazing businesses already here by following our Shop Local Bluffdale page, a great way to discover, support, and celebrate businesses in our community.

14600 SOUTH CONSTRUCTION UPDATE

A temporary traffic change is coming near Noell Nelson Drive (1000 West) and 855 West as construction crews begin removing the roundabout and realigning Noell Nelson Drive. This traffic pattern is expected to remain in place for approximately 2–3 months.

During this phase, northbound Noell Nelson Drive (1000 West) will divert to 14730 South. Southbound 855 West will close at 14600 South. Westbound 14600 South will remain open at this time.

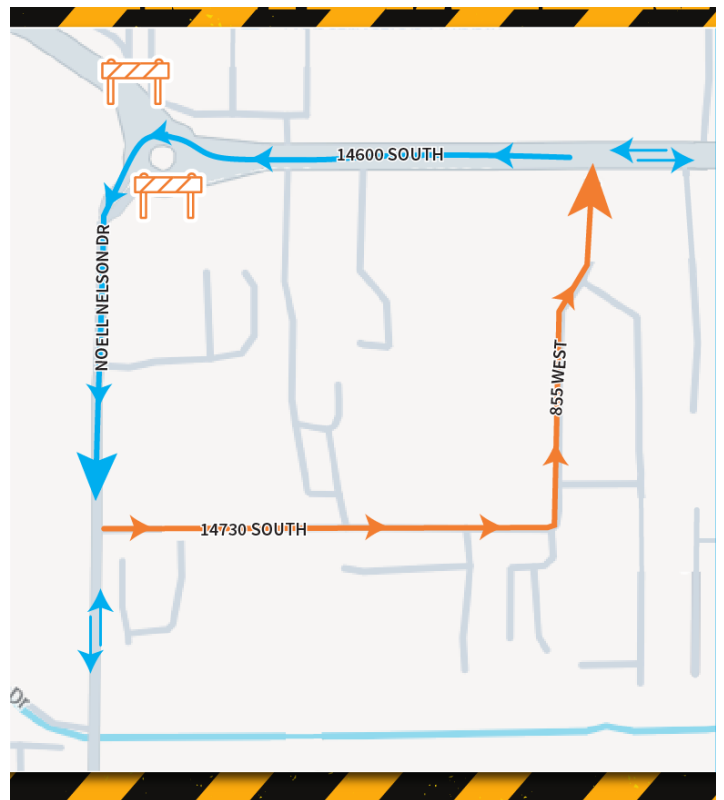

Drivers should plan ahead and allow extra travel time. To access 855 West, motorists will travel through the roundabout and turn left onto 14730 South. Eastbound travelers should

use 14730 South from Noell Nelson Drive. Please note that 14730 South will operate as one-way eastbound traffic, and 855 West will operate as one-way northbound traffic during this period.

Residents are encouraged to sign up for project updates at www.bluffdale.gov/one-lane-bridge or follow the City's social media channels for notification of the closure date and ongoing construction information.

As always, please reduce speeds in the area and follow all posted traffic signs and detour routes to help keep everyone safe.

Plan ahead, leave early, and expect delays.

HAPPY NEW YEAR FROM THE YOUTH COUNCIL!

By Keeley Henderson, Bluffdale City Youth Council Communications

We are so excited for another year full of great activities and opportunities. In February we all had a blast at our tropic themed dance and we also had the awesome opportunity to get an official Youth Council portrait taken. Thanks to Mayor Hall for highlighting all of the amazing events we already had in 2026 in the Mayor's Message. This year has so much potential and we are so excited to share it with our community.

This year we had the privilege to help with the Little Miss Tea Party, where the Little Miss girls had a chance to eat brunch with and meet the Miss Bluffdale 2026 contestants. They also did a craft and practiced their princess walk! We love connecting with the girls and learning about the Miss Bluffdale contestant's platforms.

- Our Junior High hosted guest speaker Michael Camit, who shared his story of resilience

after becoming paraplegic, encouraging students to face challenges with strength and hope.

- Congratulations to the cast and crew of Shrek: The Musical on a fantastic performance!
- Upcoming: 6th graders are preparing Shakespeare scenes from Taming of the Shrew, Much Ado About Nothing, Hamlet, and Macbeth.
- From powerful stories to powerful performances, our Summit Academy brings learning to life in every form!

MARCH BRINGS NEW BEGINNINGS

Salt Lake County Animal Services

Spring is almost here, and at the shelter, you can feel it in the air! Longer days, warmer weather, and a little extra sunshine mean fresh starts — for our team, our volunteers, and especially the animals waiting for their forever homes.

This time of year is busy. More dogs and cats are coming in, which means more hands are needed to help with care, enrichment, and socialization. That's where our amazing volunteers and foster families make all the difference. Even small moments — a walk, a play session, a tasty treat, or a cozy foster bed — can brighten an animal's day in a big way.

Want to help make new beginnings possible? Here's how:

Foster a pet:

Volunteer at the shelter:

Every bit of help matters. By fostering, volunteering, donating, or simply sharing our posts, you're giving animals a chance to thrive and find the loving homes they deserve. Thank you for being part of our community and helping create new beginnings — one paw at a time.
